

MiraBan Ltd Company

Title:	Digital Illustrator, Intern
Category:	Internship
Duty station:	Working from Remote
Period:	2 months

ABOUT MIRABAN

MiraBan is a UK **Limited Trade Company** specialized in Visual and Fine Arts, particularly film, painting, photography, and illustrations.

MiraBan promotes film funding opportunities, art exhibitions, and multiple art contests to create business connections between artists.

Our goal is to support Art in its various forms, providing a rewarding experience for both our employees and clients.

MIRABAN INTERNSHIP PROGRAM

MIRABAN provides:

- Regular monitoring of trainee's progress and satisfaction with the internship
- a certification after the internship completion
- if still graduating, possibility to receive academic credits out of the internship*
- possibility to exhibit your artworks in the next edition of "MiraBanART Showcase", the contemporary art exhibition running since July 2018 throughout Italy

THE INTERNSHIP

MIRABAN seeks an intern for an interesting professional learning opportunity to work with our Art Director of the Illustration Department and create **20 digitally water color-illustrations** meant to be published in an Italian book for children. Among all the illustrations, **three** will be selected to become part of the traveling Art Exhibition.

The Intern will undertake the following duties and responsibilities:

- Digitally drawing and painting the illustrations according to company specifications
- Style development: preparing ideas, sketches. After you receive a first approval, then you can start develop the drawings and paint them
- Show the progresses when required
- Communicate and work with our Art Director through Skype with a “Shared View” video mode and in person if required

The duration of the internship is 2 months, approximately from beginning of May 2019 till the end of June 2019.
